- b. That the faculty/staff and research fellows registered for PhD degree may visit the other party's premises / facility for a short period in connection with their research work under joint collaboration program.
- c. That the faculty/technical personnel will be encouraged to deliver

lectures/invited talks in the other organization.

4. **JOINT CONFERENCE/WORKSHOP/COURSES:** Both the parties agree to hold/conduct, whenever feasible, national events, joint workshops, conferences, training programs within the areas of mutual interest.
5. **SHARING OF FACILITIES**
  - a. Both parties agree to share their respective important R&D facilities in order to promote academic and research in the areas of cooperation to intensify the high priority area program of science and technology.
  - b. Both parties agree to share and utilize equipment(s), facilities, hardware, software and other materials and components developed in house in the area of co-operation if advisable within the framed rules governing both the organizations.
  - c. Access to laboratory, library and other supporting facilities for jointly supervised UG, PG and Research will be provided by both parties.
6. **PROJECT WORK OF STUDENTS:** A total of 4-5 selected students of UG, PG and research in the respective areas of specialization of Institute/University will be allowed at a time for project work at PrevestDenpro Limited. Students will work in the areas of mutually agreeable areas as mutually identified by both parties.
7. **AREAS OF MUTUAL INTEREST:** The areas of co-operation will be defined and modified from time to time by the co-operation committee set up for the purpose. The areas identified for co- operation are Dental Biomaterials, Wound healing, Regenerative Sciences, Biotechnology, Biosciences, Pharmaceutical Sciences, Medicinal Chemistry, Analytical Chemistry, Physical Pharmacy, Toxic genomics, Pharmaceutical Engineering and Technology, Herbals, Food and Nutrition, etc.
8. **TERM AND PERIOD OF MOU:** This MoU will become effective upon signature by both Parties. It shall remain valid for a period of five (5) years from the date of the last signature, with the understanding that it may be modified by written mutual consent of both Parties. This MoU may be terminated by either Party with advance written notice of at least thirty (30) days. Upon notice of termination both Malla Reddy Dental College for Women and PREVEST DENPRO LIMITED agree to work in good faith to enable visiting scholars to complete their respective research programs unhindered by the termination. This MoU may be extended by mutual consent of the two Parties after the five-year period, and it must be renewed in writing.
9. **FINANCIAL OBLIGATIONS:** This MoU places no financial obligations or supplementary funding commitments on either Party. These activities will be defined through separate program agreements that detail the commitment of resources (financial or otherwise) required by each Party. Subsequent program agreements must be mutually agreed and approved in writing by the authorized representatives of Both Parties.
10. **RELATIONSHIP BETWEEN THE PARTIES:** This Memorandum of Understanding (MoU) is intended solely as a MoU and no partnership, joint venture, employment agency,

franchise, or other form of agreement or relationship is intended. It is specifically understood between the Parties that the relationship between the parties contemplated under this MoU is strictly on a principal to principal basis. Nothing in this MoU shall be construed to the employees/representatives/students of one Party to be construed as the employees /representatives /students of the other party. However, both parties shall ensure the following:

- (a) Students and employees engaged under this programme shall strictly follow the disciplinary protocols and be professional in their conduct towards each other.
  - (b) “Safety and Security” of the students during the above programme be ensured.
11. **LAW OF THE LAND:** Both parties hereby undertake to abide the respective law of the land with respect to this MoU, and terms and conditions of the agreement/s which might be entered upon under this MoU. Licenses/Approval/s or / clearance/s from statutory authorities if any, shall be obtained by the respective parties where ever applicable.
  12. **CONFIDENTIALITY:**Both parties shall maintain confidentiality with respect to any confidential information of respective parties and also the confidential information in connection to the respective projects under this MoU. If required, Parties may enter into separate confidentiality agreements as per the requirements of specific or respective projects/programmes under this MoU.
  13. **DISPUTE RESOLUTION:** Notwithstanding anything contained in any other statute for the time being in force, if any dispute arises between the parties in the discharge of their respective responsibilities and obligations under this MoU, same may be settled amicably between the parties, and if in case such dispute is not settled amicably between the parties, it shall be referred to The Principal of the Malla Reddy Dental College for Women and Director Research & Academics of PrevestDenpro Limited for arbitration and both shall jointly appoint or nominate an arbitrator as per the procedures in vogue for resolving the said dispute. The decision of said arbitrator shall be final as far as the dispute is concerned and the parties are bound by that decision.

The Director of Research and Academics – PrevestDenPro Limited - Dr. S.SaiKalyan will serve as the primary liaison between the two Parties to facilitate the development of future activities.

This Memorandum of Understanding completed in English is hereby signed in two (2) copies with one (1) copy remaining in the possession of each institution.
