(SPONSORED BY : CHANDRAMMA EDUCATIONAL SOCIETY)

Affiliation to Kaloji Narayanrao University of Health Sciences, Warangal, Telangana.
Recognised by Dental Council of India, New Delhi

No. MRDCW/Policy/JUN-2018/03

Policy Document on mobilization of funds and the optimal utilisation of resources
Response:

The resource mobilization is carried out by the following means:

Tuition & other Fees from Students

Fees collected from patients for specialized services

The Yeraly budgets are planned based on the revenue and expenditure are audited by the finance committee and forwarded to our accountant for verification. Budgetary allocations are made for the requirements of both academic and administrative activities. The Finance Section of the Administrative office keeps records of all financial transactions under the control of the Chief Accountant. Since, our Institution is a teaching dental college, funds are optimally utilized to provide patient services at subsidized cost.

The institution has a free histo-pathological analysis facility. The institution also provides free treatment for patients referred from various camps.

A major portion of this budget is utilized for maintenance, improvement of infrastructure and procurement of latest equipment and materials as per the guidelines laid down by the DCI and KNRUHS university File Description Document Link for resource mobilization policy document duly approved by College Council
