## **PROGRAM DEVELOPMENT COMMITTEE**

### **Roles:**

The Program Development Committee (PDC) plays a vital role in ensuring the continuous improvement and innovation of academic programs offered by the institution. The PDC works to maintain the highest standards of education, preparing graduates for successful careers in their chosen fields.

### **Responsibilities**

The PDC will have the following key responsibilities:

#### Curriculum Development and Review:

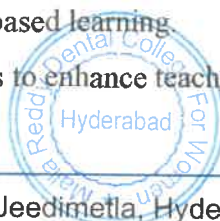

- Review and revise the existing curriculum regularly to ensure it aligns with current industry standards, advancements in the field, and accreditation requirements.
- Develop new courses or programs to address emerging trends and prepare graduates for in-demand skills.
- Evaluate the effectiveness of the curriculum through student feedback, faculty assessments, and external evaluations.

#### Learning Outcomes:

- Establish clear, measurable learning outcomes for each course and program within the curriculum.
- Ensure the learning outcomes align with the overall program goals and national or industry standards in the field.
- Develop assessment tools and strategies to evaluate student achievement of the learning outcomes.

#### Teaching Methods and Technology:

- Promote innovative and effective teaching methodologies, including technology integration, simulation-based learning, and problem-based learning.
- Encourage faculty development programs to enhance teaching skills and pedagogy.

Affiliated to Kaloji Narayana Rao University of Health Sciences, Warangal, Telangana.

- Explore and recommend the integration of technology into the curriculum for improved learning experiences, considering factors like accessibility and resource limitations.

**Program Evaluation and Assessment:**

- Develop and implement a comprehensive program evaluation plan to assess the program's effectiveness in achieving its goals.
- Collect and analyze data on student performance, faculty effectiveness, employer satisfaction and overall program outcomes.
- Utilize data to identify areas for improvement and make informed decisions about program development.

**Compliance with Accreditation Standards:**

- Stay updated on the latest accreditation standards set by the relevant accrediting body for the program.
- Ensure the program meet all accreditation requirements.
- Prepare for and participate in accreditation site visits if applicable.

**Meetings and Operations**

- The PDC should meet regularly, typically at least once per semester or as needed.
- Agendas and minutes should be circulated to members before and after meetings, respectively.
