Report of the Event

Date: 10th May 2025

Introduction: To enhance the professional and interpersonal competencies of dental students by developing essential soft skills required for effective clinical practice, patient communication, and leadership in dentistry.

Objectives

General Objectives:

- To enhance the overall personality and professional behavior of dental students by developing key soft skills essential in clinical and academic settings.
- To prepare students for real-world dental practice by strengthening their communication, leadership, and interpersonal abilities.

Specific Objectives:

- To improve verbal and non-verbal **communication skills** for better patient interaction and case presentation.
- To cultivate **empathy, emotional intelligence**, and active listening for effective patient care.
- To develop **teamwork, leadership, and collaboration** skills essential for working in multidisciplinary environments.
- To enhance **time management, stress management**, and organizational skills in a clinical setting.

Resource person: – Dr. B. Hari Krishna, Assistant Professor, CSE, MREC

Date: 8th May 2025

Venue: lecture hall 3

Participants: 80 (3rd and 4th BDS students)

Glimpse of the Event

A Capability Enhancement Programme on "The Soft Skill for Master in Dentistry" was conducted for 3rd and 4th BDS students, with 80 students registering for the session. This informative programme introduced participants to the latest digital trends and technologies transforming the dental profession. Through engaging lectures and hands-on training, students learned to leverage software applications, digital radiography, and electronic records for enhanced patient care. By embracing technology, these future dentists can now stay ahead in the rapidly evolving dental landscape.
