Report of Event

Date: 8th May 2025

Introduction:

On 6th May 2025, III and IV BDS students attended a session on communication and language skills focused on enhancing presentation abilities and professional interaction. The workshop improved their confidence in verbal and non-verbal communication essential for academic and clinical settings.

Objectives:

General Objective:

- To enhance students' communication skills in both academic and clinical settings.
- To develop confidence in verbal and non-verbal expression.
- To improve clarity, coherence, and professionalism in presentations and patient interactions.
- To foster effective listening, empathy, and interpersonal skills.

Specific Objective:

- To demonstrate the structure and delivery of an effective academic or clinical presentation.
- To train students in using appropriate medical and dental terminology while communicating with patients and peers.
- To improve pronunciation, fluency, and confidence in public speaking.
- To highlight the role of tone, pitch, and pace in effective verbal communication.

Glimpse of the Event

Capability Enhancement Programme on Effective Presentation on Communication and Language Skills on 6th May 2025, a focused session on communication and language skills was conducted for III and IV BDS students. The workshop aimed to enhance students' verbal and non-verbal communication abilities essential for academic presentations and patient interactions. Participants learned effective presentation techniques, the importance of clarity, tone, and body language, and practiced active listening. The session also emphasized using professional terminology and digital aids for better engagement. Students actively participated, gaining confidence and practical skills to improve their communication in clinical and academic settings.
