INTERNATIONAL STUDENT POLICY

International Student Cell

Malla Reddy Dental College for Women (MRDCW) offers high-quality dental education and world-class treatment facilities, positioning itself as the first exclusive dental college for women in Telangana and the second in India. With a capacity of 100 seats for BDS and 17 for MDS across six clinical dentistry disciplines, the institution is dedicated to creating top-tier dental professionals. Set within the sprawling Malla Reddy Health City, the college's national visibility and MOUs with AMIST University and Tufts University make it a favored destination for students globally.

The vision and mission statement clearly reflect the importance of creating world class dental surgeons who are ready to embrace the endeavours in their careers spread all over the world. As a part of a sprawling 100 acre campus of Malla Reddy Health city, MRDCW is situated on 5.15 Acres along with its attached teaching medical college, Malla Reddy Medical College for Women.

Institutional visibility has grown nationally and it's a most favoured destination not only for students from all over Telangana, but also from various parts of Indian and abroad. . Our MOUs with AMIST University & University of Tuffts, will enable us to attract students from overseas. We have globally

acclaimed practices in teaching and learning and are planning to offer a cordial welcome to international students wishing to join under graduation and post graduation courses.

Rules framed by DCI & Affiliated University KNRUHS and also rules of University Grants Commission (UGC), notified in its website www.ugc.ac.in will be followed for deciding the eligibility and admissions of International students to Dental courses (BDS, MDS) offered in our institute to deal with admission and guidance of international students

MRDCW, thus made a provision for admission of candidates under General or Foreign / NRI category on fulfilling the eligibility requirements, aligning with rules of KNRUHS.
