Subject: Report of stakeholder (Alumni) feedback for academic year 2018-2019

Respected Sir,

We have summarized the Alumni stakeholder feedback for academic year 2018-19 as follows

S. No	Feedback
1.	Increase clinical hours as more hands-on experience is crucial for skill development.
2.	Exposure to a wider range of patients improves clinical decision-making.
3.	More focus on complex case management training to prepare for real-world practice.
4.	Incorporate more training on digital technologies and software.
5.	Advanced surgical training to enhance surgical skills, particularly in implant placement and bone grafting.
6.	Endodontic skill refinement to improve root canal therapy techniques and case management.
7.	Include foundational knowledge in orthodontics for better patient management.
8.	Enhance prosthetic design and fabrication skills.
9.	Strengthen periodontal disease diagnosis and treatment.
10.	Pain management techniques: Improve training in pain control and management.
