Subject: Subject: Report of stakeholder (Teachers) feedback for academic year 2019-20

Respected Sir,

We have summarized the Teachers stakeholder feedback for academic year 2019-20 as follows

S. No	Feedback
1.	The curriculum does not cover essential topics like advanced surgical techniques and contemporary research in dental materials for preparing students for complex clinical scenarios
2.	The curriculum should try to effectively integrate theoretical knowledge with practical applications so that students can apply what they learn in clinical settings
3.	Include a research component to engage in evidence-based practice
4.	More student assessment methods like practical exams and written tests should be conducted
5.	Include emerging topics and technologies (e.g., digital dentistry) in curriculum
6.	Provide opportunities for interdisciplinary learning and collaboration
7.	The curriculum should focus on developing essential clinical skills, such as diagnostic abilities and surgical techniques.
8.	The curriculum should include aspects of global dental practices and cultural competence, which is valuable for working in diverse environment
9.	The students should be taught to manage stress and workload effectively
10.	The curriculum should take in the feedback from alumni for the curriculum to remain relevant to the current dental practice landscape
