Subject: Report of Teachers stakeholder feedback for academic year 2023-24

Respected Sir,

We have summarized the Teachers stakeholder feedback for academic year 2023-24 as follows

S. No	Feedback
1.	Emphasize the importance of practical training through simulations, labs, and clinical placements.
2.	Ensure the curriculum includes a strong focus on ethical practices and professionalism in dental care.
3.	Stressing the importance of preparing students for continuous education in their careers, including opportunities for specialization and advanced training.
4.	A mix of formative and summative assessments can help gauge student understanding and skills development.
5.	Consider the availability of mentoring and tutoring programs to assist students in areas where they may struggle.
6.	Evaluate the use of digital tools and resources, such as CAD/CAM technology and tele-dentistry, to enhance learning and stay current with industry trends.
7.	Integrating topics such as public health and nutrition enriches students' understanding of the broader context of dental care.
8.	Incorporating more diverse assessment methods (like peer evaluations or reflective essays) could provide a fuller picture of student understanding and skills.
9.	The inclusion of courses focused on ethics and patient communication prepares students to handle real-life situations with integrity and empathy.
10.	The curriculum should cover essential topics thoroughly, including anatomy, pharmacology, and treatment planning. This solid foundation is critical for students.
