ACTION TAKEN REPORT (2022-2023)

STUDENT FEEDBACK

Feedback collected from all stakeholders, including students, faculty, employers, and alumni, was independently reviewed by the Academic committee. The ensuing report presented suggestions for curriculum enhancement.

- Exposure of postgraduate students to oral oncology cases and their treatments.
- Introduction of orientation on Psychological Behavior Management for handling child patients.
- Undergraduate training in microscopic endodontic procedures using an endodontic microscope.
- Inclusion of theory and practical classes of General Anatomy for Post Graduate students.

ACTIONS TAKEN

- Peripheral postings in oncology hospitals for a duration of 2-3 months for Oral Surgery postgraduate students.
- Introduction of root canal treatments with the use of endodontic microscope training for postgraduates and interns.
- Conducting Basic Sciences theory classes for first-year Post Graduate students annually.
