Student learning process is aided by the curriculum	
★★★★★ (5/5)	
Curriculum covers both theoretical and practical aspects equally	

Curriculum covers both theoretical and practical aspects equally

There is a clarity in the intent of syllabus

Teaching schedule provides enough time for covering all aspects of the syllabus

There is possibility for research and innovation in the curriculum

Curriculum has enough scope to promote leadership qualities, team work and creativity in students

Syllabus covers all the current demands in dentistry

Curriculum provides opportunity for development of problem solving skills in students

Curriculum develops interest in newer and advanced techniques

Curriculum instills professional ethics in students

Suggestions if Any?

Substantial hands on training in clinical settings
