

INTERNAL AUDIT COMMITTEE

An internal audit committee is a vital part of an organization's governance, ensuring operational integrity and efficiency. It oversees internal audits, compliance, and internal controls. The committee serves as a bridge between management, auditors, and stakeholders, offering objective assurance on financial reporting and risk management.

OBJECTIVES

•To ensure the integrity and effectiveness of an organization's financial reporting, internal controls, and risk management processes, thereby enhancing accountability and transparency within the organization.

ROLES & RESPONSIBILITIES

- 1. Provide oversight of the internal audit function to ensure it operates independently and effectively.
- 2. Assess the adequacy and effectiveness of the organization's internal control systems and recommend improvements.
- 3. Ensure the accuracy and integrity of the financial statements and other financial reporting.
