2022-23 ANNUAL REPORT OF PRE-EXAMINATION COACHING

In the 2022-23 academic year, our dental college continued its commitment to comprehensive student support through pre-examination coaching programs tailored to diverse career paths. A total of 511 students benefited from career guidance sessions, aimed at providing insights into various professional avenues and assisting them in making informed decisions about their futures.

Moreover, recognizing the importance of specialized preparation for post graduate entrance exams, 82 students enrolled in NEET coaching to enhance their chances of success in securing admission to prestigious dental institutions.

In addition to medical entrance exams, our college also facilitated the aspirations of 58 students pursuing international education opportunities by offering coaching for standardized tests like GRE and TOEFL. This initiative aimed to equip students with the necessary skills and confidence to excel in these competitive examinations, opening doors to academic and professional opportunities abroad.

Through these tailored coaching programs, our dental college reaffirms its commitment to nurturing holistic development and empowering students to pursue their career aspirations with confidence and competence. We remain dedicated to providing comprehensive support that extends beyond academic excellence, ensuring that every student is equipped to thrive in their chosen endeavours.

2021-22 ANNUAL REPORT OF PRE-EXAMINATION COACHING

In the 2021-22 academic year, our dental college continued its steadfast commitment to guiding and preparing students for successful futures through pre-examination coaching programs tailored to their diverse aspirations. A total of 524 students benefited from comprehensive career guidance sessions, equipping them with the insights and tools necessary to make informed decisions about their professional trajectories.

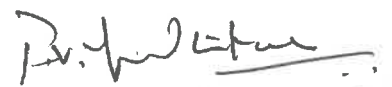

Recognizing the significance of excelling in post graduate entrance exams, 74 students engaged in focused NEET coaching, enhancing their readiness to pursue esteemed medical education opportunities. Additionally, our college facilitated the aspirations of 54 students seeking international academic pursuits by providing coaching for standardized tests such as the GRE and TOEFL, essential for admission to prestigious institutions abroad.

These tailored coaching initiatives underscore our institution's holistic approach to student development, aiming not only to impart academic knowledge but also to nurture essential skills and competencies. By empowering students to excel in various academic and professional endeavours, our dental college reaffirms its commitment to fostering well-rounded individuals poised for success in the global landscape of healthcare and beyond.
