**REPORT OF THE EVENT**

09-04-23

**INTRODUCTION:**

The term "powering" implies empowerment, suggesting that the initiative aims to provide individuals with the tools, resources, and opportunities they need to pursue their educational aspirations. It emphasizes the transformative potential of education to uplift individuals and communities.

**OBJECTIVES:**

General objective: Ensure equitable access to quality education for individuals

Specific objectives:

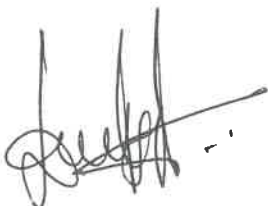

- Expand access to quality education by developing and implementing initiatives that reduce barriers to entry such as financial constraints, geographic isolation, and socio-economic factors.
- to provide learners worldwide with access to high-quality educational resources, online courses, and interactive learning platforms.
